Data across all tables may not be comparable due to differences in reporting periods, data source and data compression and rounding.																
¹ Projections are sourced from State of Ohio's Bureau of Labor Market Information (LMI).																
² The openings and growth numbers for this occupation represent an occupational category that includes, but is larger than the specific occupational title listed.																
³ Typical competency level to enter the occupation, using the US Bureau of Labor Statistics (BLS) education and training classification system.																
⁴ Wage was calculated by multiplying the hourly wage by 2,080 to approximate an annual wage.																
⁵ National wage displayed as the state wage data is unavailable.																
⁶ Occupations with State Annual Earnings > \$14.10 per hour, Annual Growth in Jobs > the Area Average (36), and/or Total Annual Job Openings > The Area Average (584 jobs) and JobsOhio Industry Cluster In-Demand Occupations, 2nd Tier Methodology for Forecasted Jobs and Critical Occupations for a public assistance need.
